

http://www.keystone.edu/Miller_Library

This subject guide will help you access general information--relevant to Education and its issues--on the Web and in the Miller Library. This guide will lead you to Reference materials, books, journals, magazines, newspapers, associations, internet resources & government documents available through the Library's holdings, services and databases. It will also direct you to on-line locations of full-text journals. As always, carefully evaluate all sources before you choose to integrate them into your papers, assignments and presentations. For more specific issues and subject areas, look for other Miller Library Subject Guides.
