

http://www.keystone.edu/Miller_Library

This subject guide will help you locate Psychology-related sources on the Web and in the Miller Library. This guide will lead you to reference materials, books, journals, magazines, newspapers, associations, internet resources & government documents available through the Library's holdings, services and databases. It will also direct you to on-line locations of full-text journals. As always, carefully evaluate all sources before you choose to integrate them into your papers, assignments and presentations.

Reference Books

Library Use: Handbook for Psychology (2003)—REF 025.5 R324L
