

## Sports and Recreation Management Subject Guide

[http://www.keystone.edu/Miller\\_Library](http://www.keystone.edu/Miller_Library)

This subject guide will help you access some general Sports and Recreation Management information on the Web and in the Miller Library. This guide will lead you to Reference materials, books, journals, magazines, newspapers, associations, and internet resources available through the Library's holdings, services and databases. It will also direct you to online locations of full-text journals. As always, carefully evaluate all sources before you choose to integrate them into your papers, assignments and presentations.

Sports and Recreation Management are a broad terms covering field sports, athletics, games, outdoor life, gymnastics, mass media and sports, Olympics, professionals sports and sports teams and more. This guide aims to help provide general information that will be helpful in the beginning stages of research. If you have a very specific topic in mind, consult more specific subject guides that more closely examine your chosen area.
